

**Representation of the following Pseudocode as a flowchart is given in the next snapshot:**

```
If student' s grade is greater than or equal to 90
    Print "A"
else
    If student' s grade is greater than or equal to 80
        Print "B"
    else
        If student' s grade is greater than or equal to 70
            Print "C"
        else
            If student' s grade is greater than or equal to 60
                Print "D"
            else
                Print "F"
```

**Flowchart:**
